

I have worked as a Headteacher and Executive Headteacher in Sheffield and I have a successful record of school improvement, securing Outstanding judgements at two of my previous schools. I was awarded NLE status in 2017 and have represented Sheffield Special School Headteacher's at the Sheffield Inclusion Board, Sheffield School's Forum and the Sheffield Speech and Language Steering Group. I am passionate about enabling children to succeed, flourish as individuals and make positive contributions to their community. I hope to work collaboratively with staff, families and children to support North Ridge on its journey.
