

# Sensory Remote Offer

Dear Parent/Carer

Please find below various links to Oak National, to access remote learning whilst your child is at home. This is an online schooling offer to support the continuation of learning. This is a two week offer and we advise you to revisit learning to ensure your child has understood and can re-apply what has been learnt.

## **Communication and Language**

Please click on the links to access the sensory stories, the videos will direct you how to deliver these sensory stories using household objects.
