Apologies Noah

1. We welcomed everyone to the meeting including Sam and Warren

2. We found out from our ballot who was going to be Prime Minister.

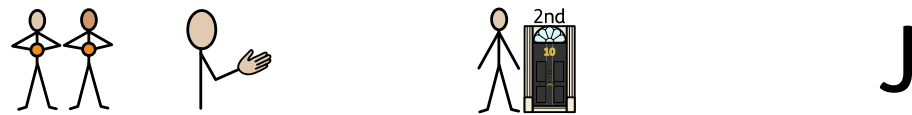

Sam and Warren had the honour of announcing the results.

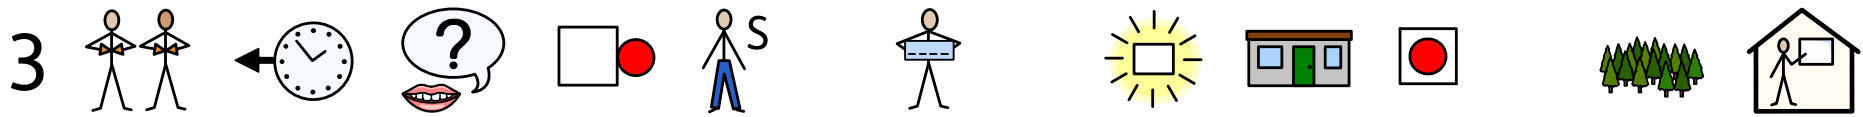

Our new Prime Minister is Noah

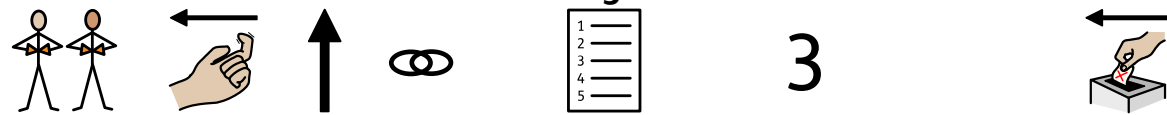

Deputy Prime Minister is McKenzie and

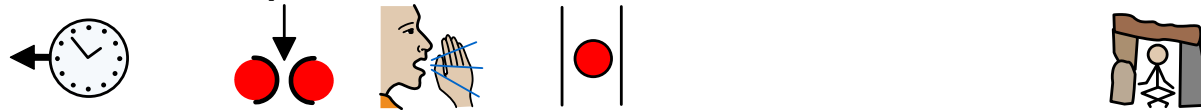

Our Assistant Deputy Prime Minister is Jamie Lee

3. We were asked by Sam to name the new cabin in the Forest School.

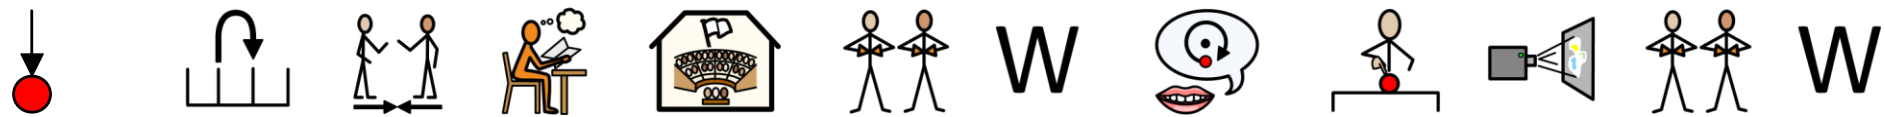

We came up with a list of three and then voted.

It was a close call between The Gruffalo and The Den.

The Den got most of the votes!

At the next meeting Pupil Parliament we will talk about what projects we will

support in school.
