Executive Headteacher: Mr. Sam Macdonald

12 March 2025

Dear Parents/Carer,

Following on from my letter dated 25th February outlining my new role as Executive Headteacher over both North Ridge and Hill Top School in Rotherham, I can now confirm that Daryl Bennett will be based at North Ridge to bring additional leadership capacity.

Daryl is an experienced school leader who will complement and support the work of our already strong and successful team. Daryl's days will be Monday to Wednesday.

Please rest assured that the high standards of education you have come to expect from North Ridge will continue or even perhaps expand due to the opportunities for collaboration and shared best practices between the two schools.

Should you have any questions, please do not hesitate to get in touch.

Yours sincerely,

Sam MacDonald
Executive Headteacher.
