Head of School: Jade Soler Alcaraz

12 September 2025

Dear Parents/Carers,

As you may be aware, the school is expanding every year which comes with its own challenges. One of these challenges is the parking at drop off and pick up times with the ever increasing number of parents and taxis provided by Doncaster Council coming to school. The car park unfortunately was not built to accommodate the volume of traffic, and it is now becoming a safety issue when our pupils and yourselves have to walk through parked and moving vehicles.

In order to alleviate this, we have a system in place where **parents wait in their cars and come round to the front of the school and their child is brought to the car.**

Parents/carers should **collect pupils between 2.45pm and 3.00pm.** We ask that you remain in your car and you will be directed through the car park to the front of the school. Your child will be called and brought to your car.

At 3.00pm, the buses will be directed to the front of the school to load our pupils.

Any parent/carer arriving after 3.00pm will be asked to wait in the car park in their car until directed to follow the buses. The buses should be loaded and on their way by 3.15pm, which is the normal time.

We appreciate that at times there may be slight delays, and we kindly ask you to bear with us. Ultimately the safety of pupils, parents/carers and staff is our priority and we will always work to providing a safe and happy environment for our children.

Thank you for your continued support.

Jade Soler Alcaraz

Head of School.
