Dear Parents/Carers

AFTERNOON COLLECTION PROCEDURES

As you may be aware, the school continues to expand each year, which brings with it a number of challenges. One of these is parking at drop-off and pick-up times, due to the increasing number of parents and taxis provided by Doncaster Council arriving on site. Unfortunately, the school car park was not designed to accommodate this volume of traffic.

We would therefore like to remind you of the procedure for collecting pupils in the afternoon.

To help manage traffic safely, we operate a system where parents/carers remain in their cars and drive around to the front of the school, where their child will be brought to them.

Parents/carers should collect pupils between **2.40pm** and **3.00pm**. To allow all visitors and guests to leave the site safely and to avoid congestion, we kindly ask that parents/carers do not enter the school car park before **2.40pm**. Please remain in your vehicle until you reach the front of the school; your child will then be called and brought to your car. We also ask that you do not park in the main car park to collect your child.

At 3.00pm, the buses will be directed to the front of the school to load pupils. Any parent/carer arriving after 3.00pm will be required to join the queue behind the buses until they have departed. The buses are usually loaded and on their way by 3.15pm.

We appreciate that there may occasionally be slight delays and thank you for your patience. The safety of pupils, parents/carers, and staff remains our priority, and we are committed to providing a safe and positive environment for everyone.

Thank you for your continued support.
