Dear Parents/Carers,

Communication

I write to inform you that with effect from Monday 8th June we will no longer be using our Teacher2Parent text facility to communicate messages with parents.

Our regular method of contact from 8th June will be **Seesaw**.

We understand that the majority of our parents are connected, and actively using and accessing Seesaw already to communicate with teachers. If you haven't accessed Seesaw for a while we kindly ask that you check you can still access the facility.

If you are new to Seesaw please call the school office to confirm your email address and we will be happy to set you up.

If you are unable to connect due to an email change or have any issues logging in please contact the school office on 01302 720790.

Kind regards,

Jade Soler Alcaraz

Headteacher
