Friday 16th October 2026

Dear Parent/Carer,

RE: Attention Autism Parent Workshop Invitation

We would like to invite you to attend our **Attention Autism Parent Workshop** on:

Date: Friday 11th December 2026
Time: 10:00am - 11:30am
Venue: North Ridge Community School

This workshop is designed to give parents/carers an introduction to the Attention Autism approach, a highly engaging programme developed to support children's attention, communication, language and social interaction skills.

During the session, we will cover:

- What Attention Autism is and why it is used in school
- The four stages of the Attention Autism approach
- How Attention Autism helps develop attention and listening skills
- The importance of motivating and engaging activities
- Practical demonstrations of simple Attention Autism activities
- Ideas for supporting attention and communication skills at home
- Opportunities to ask questions and discuss your child's needs

The session will be informal, practical and suitable for parents whose children are already accessing Attention Autism, as well as those who would like to learn more about the approach.

We hope you can join us and look forward to sharing strategies that can be used both in school and at home.

Please contact the school office, to confirm your attendance.

Kind regards,

Pauline O'Connor
Mole Class Teacher
