

Welcome to Neptune Class

Neptune Class have quickly settled back into their daily routines and are enjoying learning about 'Marvellous Me'.

Roald Dahl

Neptune Class enjoyed dressing up and learning about Roald Dahl. We celebrated Roald Dahl Day on Thursday 13th September 2018.

The pupils are enjoying listening to his 'Revolting Rhymes' and 'George's Marvellous Medicine.'

English and Mathematics

Neptune Class have been developing their reading, phonics and writing skills. We have been writing simple sentences. Mae knew that "He did good work." Mae knew that she had to remember to start her sentences with capital letters. We have been doing some super counting and problem solving in mathematics.

Food a Fact of Life

Neptune Class have been baking recipes from the 'Food a Fact of Life'. We have had lots of positive comments about our baking. Kenzi said, "That the scones were good."
