

Weekly activities

Week Commencing 20th April 2020

Class 13

English and Communication

The task for this week is Reading. All reading is good reading.

1. Read the washing power packet and see if you can see how much to put in.
2. Look at the back of packets and see how food is cooked. Also have a look on the guide and see if it's a healthy food.
3. Look at the news and see if you recognise a word when it comes up on the screen.

Physical Education

1. Do your own obstacle course in the garden or a space you can run in.
2. Put small objects on the ground, things like a brush.
3. Make sure it is not too hard.
4. Go round it slowly then time yourself and see how fast you can do it.
5. Write it down each day and see how much you can achieve

Message from Class teacher

I am going set you some small tasks to do each week. I know that you will do your best when trying to do them. If you could take photos of you doing the tasks we can all see how well you did when we are together again.

I am so proud of all of you, be kind and stay safe. Take care of each other and remember we will be together soon.

Interactive Video Activity

See the link on the class page for lessons on BBC Bitesize

Life skills

The task for this week is to do some laundry.

1. Get some unclean clothes
2. Make sure they are the same colours. For example, light colours or dark colours.
3. Open the washing machine door and put the clothes in.
4. Put the right amount of washing power or liquid in and if you use fabric softener put that in as well. You will need help with to start with but don't worry we all did to start with.
5. Put the washer on the right program. Again you will need help.
6. If the washing needs hanging out on the washing line have a go at doing it.

Well done I am so proud of you for just having a go at doing this

Maths

1. Time yourself while you are doing your exercise.
2. Time the washing machine while it's washing.
3. Look at the back of packaging and see how long food takes to cook.
