

Amanda Armer

I am very excited to be a non-teaching staff Governor at Northridge. I am a qualified, professional and experienced childcare and special needs practitioner, and I am very passionate about ensuring each student exceeds their expectations, develops skills for life and achieves their own personal goals.

I feel very proud to work at Northridge as a learning support assistant, and I wanted to become a school governor to gain a greater understanding of how the school is run and to have an input in the school's future and success as we continue on our progressive journey.

As a school governor I will strive for continuous improvements, excellent quality of education for all, and effective professional development and relevant up-to-date training for staff.

With a clear vision to become an outstanding school. Embracing Nexus vision of 'learning together to be the best we can be '
