

Jim Phillips

I am delighted to be joining the governing body at North Ridge, as a very proud parent.

I am pleased to be able to contribute to the school that my daughter so loves and I have high aspirations for ensuring all students are well supported and ambitiously challenged by the wonderful staff team.

I believe in celebrating achievement, supporting student's wide ranging and complex needs, striving for the best possible outcomes and having the best interests of all children at the heart of decision making. I want the best for all of our children and young people, as I do my own.

My background is within education, as a secondary school teacher/ Head of Department (12 years), before becoming involved with special educational provisions and am currently a HE Lecturer in Children's Learning and Development.
