

Term: Summer 1

Topic: Managing Own Money

Oak Class

English and Communication

Book for the half term:

We will be focussing on the book Charlie and the Chocolate Factory.

Phonics:

In phonics pupils will be following the new Essential Letters and Sounds Programme working on either Phase 2, Phase 3 or Phase 5. They will be practising letters and sounds daily.

Writing:

Pupils will be working on organising writing in different forms and writing with a purpose. This will include: posters, instructional writing, menus, shopping lists, price lists, recipes, descriptions of characters and places.

Good Health

We will be in the community exploring the environment around us and looking at recycling goods. We will also be making healthy snacks as part of our cooking lessons.

Outdoor Learning

We will be working on improving the garden area within school; working as a team to grow vegetables and flowers.

Message from Class teacher

We will continue to cook on a Tuesday and Thursday morning, making a range of healthy snacks.

We will start going to Harmony House regularly after the Easter holiday. We will be cooking new meals and practising different life skills around the house.

We will be using our new reach values to help us follow classroom rules.

Our REACH Values:

To **R**espect

To **E**njoy

To **A**chieve

To be part of a **C**ommunity

To be **H**appy and **S**afe.

Careers

We will be making and implementing our own decisions through mock role play interviews within class. Further to this we will complete applications forms and have the opportunity to take part in interviews for a work placement in the kitchen. We will be taking part in an enterprise project in which we will open a café area in school and make and prepare snacks and drinks to sell to staff and pupils.

Home learning

Make your own shopping list before going shopping and list the prices. Practise working out the approximate cost of items from the shops and how much it would cost to buy items.

RSE/Wellbeing

This half term we are looking at the topic of managing our own behaviour. We will be learning about feelings and emotions and how this can affect behaviour and developing strategies to help keep calm.

Preparing for Adulthood

We will be getting out and about in the local area practicing crossing roads and recognising road signs. We will also be shopping for ingredients to make healthy meals.

Maths and Cognition

Number

We will be focussing on knowing and using numbers through using money in the community to help develop independent living.

Using and applying

We will be solving mathematical problems using money. Working out costs of items and change. Using tally marks to record values on charts.
