

TERM : Spring 2

Topic: Animal Magic

Fox Class

English and Communication

Book for the half term:

Hole in the zoo – Chloe and Mick Inkpen

Phonics:

Essential Letters and Sounds Programme. Some of us will continue to learn phase 2 and 3 phonemes. We will be using our phonic knowledge to spell words in our writing and read words in our reading books.

Writing:

Non-chronological report

This half term we will be writing facts about animals from our term book. The first week back we will have a visitor coming in to show us lots of exiting animals.

Good Health

This term we will explore invasion games. We will be developing skills that will be seen in a basketball game; this includes, passing a ball, traveling with a ball and blocking a pass.

Outdoor

This half term we will be taking our science learning outdoors. We will be accessing the outdoor area; looking at habitats and the animals that live in our outdoor areas.

Message from Class teacher

Welcome back! I hope you had a fantastic half term.

Baking is on Thursday! Please can you send in a contribution of £1 per week to go towards the cost of ingredients. Pupils will be learning about food that can be grown as well as where it would be sourced. They will also be identifying their likes and dislikes; comparing perishable and non-perishable foods.

This term in Fox Class we will have some exciting animals coming to visit us to support our understanding of our class story.

Thank you,

Hannah

Home Learning

Listen to our new story at home:

<https://www.youtube.com/watch?v=nAN7UeTLq6s>

Please promote a love for reading and enjoyment around the class story.

Please celebrate REACH Values at home.

Friendships, Relationships and Community

We are continuing to develop positive relationships, developing a sense of self and showing respect for others.

REACH Values are at the heart of all learning in our class and we will continue to embed our REACH values this term.

Respect, Enjoy, Achieve, Community, Happy and safe

Creative and Enrichment

This term in music we are going to be learning about the tempo and dynamics when using instruments. Pupils will be following sequences which they will work towards performing.

Maths and cognition

Number

This term we will be starting to explore number bonds. We will also be making amounts, working towards combining groups and counting the totals. We will be looking at worded problems to expand our knowledge.

SSM

We are going to be exploring 3D shapes, learning their names, and properties.

We are also going to continue to explore prepositional language.

Using and Applying

This term in Fox class we are going to explore using
