Dear Parents/Carer,

Sun Protection

As the weather is now becoming hot and sunny, we would like to remind everyone to send their young person to school in suitable clothing.

Your child's health and wellbeing is very important to us and so we are asking you to:

1. Send your child to school with a sun hat ensuring it protects their face, neck and ears.
2. Send a labelled bottle of sunscreen into school; this should be at least SPF15 and provide UVA and UVB protection.

Ideally you should send your child into school with sunscreen already applied and they will be encouraged to re-apply their own sunscreen during the day where possible.

Please note: By sending the sunscreen to school, you are giving the necessary permission for school staff to apply this to exposed areas namely face, neck, ears, hands, arms and legs when necessary.

Thank you for your continued support.

Sam MacDonald

Head of School
